**Carter 2007 Beckstoffer To
Kalon Vineyard Cabernet
Sauvignon (Napa Valley)**

This is an extraordinarily rich and rewarding Cabernet to drink now. Drenched in all new French oak, it's elaborate in spicy, charred wood and vanillins, but the underlying wine easily supports that weight. It's flamboyant in blackberries, cherries, chocolate, red licorice and cola. The alcohol seems high, but that's in the modern style, and there's no denying the sheer lusciousness. — **S.H.**
