2012 was very kind to the 'O.G.' block of Beckstoffer To Kalon. Deep ruby/purple hues boast amazing levels of dark currants, violets and barrel spice. Perfectly framed tannins integrate with a plush, persistent and bold mid-palate making this a prodigious and complex wine which expertly showcases Napa Valley terroir. The mélange of fruit is intoxicating, nuanced and mesmerizing. As with prior vintages of this wine, the structure and power of the To Kalon Vineyard needs an extended decant or several years of bottle age to spread its wings. This wine should hit its prime in 3 to 4 years which should then last for at least the next 10 to 20 years.
